TWIN PEAKS!

SEE, this is what we missed by being unsophisticated Aussie slobs and not being part of the beaut EURO CULTURE for all those years.

Romanian twins Gabriela and Monica Irimia, collectively The Cheeky Girls, were THE SHIT over there in musty old Europe a while back, with their fantastic hit *The Cheeky Song (Touch My Bum)* rocketing to not-quite-the-top of the charts in the UK, Germany, France and heaps of other of those fancy FOREIGN JOINTS.

In Australia, not so much. We were too busy being REDNECK BOGAN DICKHEADS to appreciate the Cheekies, and stupidly ignored what a UK on-line poll generously described as "the worst pop record of all time."

It sold 1.2 million copies, however, so we must have GOT IT WRONG.

Basing themselves in the UK, the Cheekies released a few other songs, most of them tanking worse than Nick Krygios, and after that they found themselves on the bones of their spunky arses, sadly facing unpaid tax bills and possible deportation back to sunny Romania.

Oh, and then appearing on *Britain's Got Talent*, which is EVEN FUCKEN SADDER. They've rallied lately, though, and appear to have some sort of paying work on a crap TV show.

So maybe it's about time we started taking all this Europop stuff seriously, or else the whole world will be LAUGHING AT US.

MAMA MIA!

Is this the greatest arse in porn?

MIA Malkova has only made a few fleeting appearances in THE PICTURE before, most recently flaunting her preposterously fuckable rear-end in our celebration of beaut bums just a few issues back.

We couldn't let that situation continue, could we?

Even though she's withdrawn from the porn biz to the extent of now only fucking other girls or her hubby, fellow porn star Danny Mountain, Mia is still worth five minutes of anybody's WRIST EXERCISE AGENDA.

She entered the FUCKING FRAY at 19, only three years after she had started her working life putting the pickles in the buns at McDonald's.

Hard X

New Tits

On the block

Nothing changed much in her move to porn – she still got the pickles in the buns, and big slatherings of special sauce. But the pay was much, much better.

Beautly, she's made every post a winner in her porn career, from winning the AVN Starlet of the Year award in 2013, to now when she's one of the most sought-after fucktresses in the biz.

"PHOENIX MARIE. I USED TO MASTURBATE TO HER ANAL SCENES ALL THE TIME."

Honest and forthCUMMING, here she shares her thoughts about some important issues with us:

On her favourite barts of her body:

"My bum and my feet I LOVE, and I pretty much hate the rest!"

Her favourite porn star:

"Phoenix Marie. I used to masturbate to her anal scenes all the time."

Her favourite sex toy:

"My Hitachi. I play with my Hitachi sometimes 15 times a day."

On married life with Dan:

"We have sex all the time. Our record is 17 times in one day. I even look at pictures and videos of him when I masturbate. I came 15 times during one three-hour self-pleasure session while fantasizing about him."

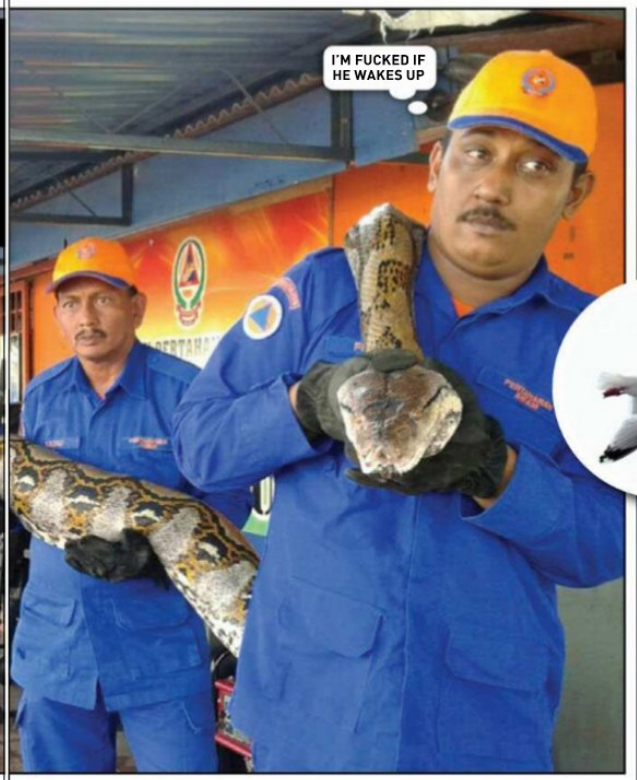
Well, that's something to aspire to, eh readers? Picture

NO VEGGIES FOR VAGRANTS

A BUNCH of homeless people in Italy have declared they'd rather go hungry than eat VEGAN tucker. Fancy-pants Italian chef Simone Salvini was asked to prepare a meal for down-on-their-luck types at the Antoniano soup kitchen, run by monks in the city of Bologna. So he knocked up a veggo version of local favourite, tagliatelle al ragu –noodles with (usually) meat sauce. But the local homeless told him to GET FUCKED. "They told me that they need to eat meat, and would return to the streets if they were fed vegan food," Salvini whined.

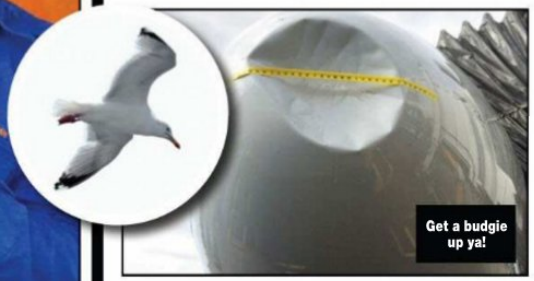
FULL MONTY PYTHON

A YOOJ snake found only a few weeks ago in the Malaysian jungle has died in captivity. The 7.5m long champion, found by construction workers in Paya Terubong on the island of Penang, was a reticulated python, a species noted for chomping down whole pigs, monkeys, deer – in fact anything meaty and squealing. The tradies, called Malaysian Civil Service workers, carted the not-quite-world-record snake away to a nice, comfy zoo. But the 250kg slithery pal carked it less than a week later.



BIRD SCONES PLANE IN U.S.

THERE'S a big angry bird with a helluva headache somewhere in America today. This Airbus 321 was Texas-bound from Seattle when it was forced to land after having its nosecone severely dented by a giant flapping squawker just after take-off. No-one on board was hurt, but the bird was last seen flying off to pick a fight with a grizzly bear. Don't fuck with Seppo birds.



SEX ANGEL

A FISHO in Indonesia who found an inflatable SEX DOLL floating in the ocean took it home – not to root, but cos he thought it was an ANGEL dropped down from beaut HEAVEN. His mum dressed it in angel gear and they kept it on the couch at home in the village on Banggai Island, off central Sulawesi. When word got around the district, authorities checked it out and discovered the AWFUL TRUTH and took "the angel" away. They didn't tell the fisho and his mum, but, to spare their feelings.

#268 WE DREW A COCK ON IT

BELLY BEER

SOME beery blokes in Victoria have knocked up a brew using yeast from their own belly buttons to kick of the magic process. Founder of the 7 Cent Brewery Doug Bremner said: "We were really stoked that it actually did work. It's perfectly safe. Yeast is yeast – this beer is no different to any other beer out there." Erm... apart from tasting like JOCK ELASTIC. Doug described the brew as being: "...in the style of a new world-ish, Belgian-ish Witbier with fresh orange zest and toasted coriander seeds." But not at all LINTY, eh Doug?

COCK SPIDER

A SYDNEY tradie has survived being bitten on the dick by a redback spider. The 21-year-old was using the port-a-dunny on a building site in Kogarah when the cock-eating arachnid went the gobbie on his old fella.
The brave young bloke then made his own way to nearby St George Hospital, where he was treated with anti-venom and allowed to leave later that day.
He'll have to go easy on the rooting for a while, but.

And on the seventh day...

ALICE WONDER

SIZE DD

ALICE'S wonder-glands were a major surprise to her when they finally appeared. "All of a sudden they popped up so I guess my wishing worked," reckons the sandy-haired charmer from Ohio, USA. "They just came out of nowhere and they wouldn't stop growing. They weigh about five pounds (2.3kg) each now." Naturally enough, Alice is very fond of her startlingly large lady lumps. "Yes, I love my boobs – but then again, I love ALL girls' boobs," she says generously. Starting out with just a bit of boobs-out modelling, Alice soon graduated to lesbian fisting porn, which just goes to show, life is what you make it.

CASSIDY BANKS

SIZE E

Cass was only a CALLOW YOUTH when the boob fairy came a-knockin' one day in the American state of Colarado – you know, the one where COLA was invented!

"Yeah, I've had big boobs since I was 15," Cassidy recalls fondly.

"They just grew out of nowhere, sort of overnight. It was crazy!"

"My favourite thing about them is that they bring attention. It's a blessing."

But Cass didn't know what to actually DO with with her titty bonanza until one day in 2014 when she had a real BRAINSTORM.

"I originally wanted to do regular modelling," she says, "but then I was like 'I like sex. I kinda want to be a pornstar.'"

So she DID be a pornstar! Isn't life great?

SIRI

SIZE **H**

It's no surprise that Siri was raised in Texas, where EVERYTHING is bigger!

What is shocking, though, is that she didn't really appreciate her GIGANTIC GORGONZOLAS when she first got 'em. "In high school I would wear two sports bras on top of each other," she recalls. "I definitely made a point to make sure nobody knew that I had boobs." Awwww! Isn't that SAD, readers?

Thankfully, she eventually saw reason, and launched her career in porn in 2012, and hasn't looked back since.

"My fantasy is to have a whole bunch of firemen gang-banging me in a firehouse. Maybe one day...." she sighs.

ROAD GRILL!

Hungry bloke eats the stuff the rest of us just drive over

IF THE saying "you are what you eat" is true, then Arthur Boyt is a pile of furry little carcasses scavenged from the side of the road.

Cos 76-year-old Pom Arthur can't resist the allure of tasty hedgehog, weasel or badger lying on its back in a ditch after being gently KILLED by a passing car.

He doesn't discriminate against ocean critters, either – for his Chrissy dinner last year Arthur cooked up a dead dolphin he found washed up on the beach near his home in Cornwall.

And lately he's been honing his cooking skills on a couple of dead otters he found kickin' around by the side of a river.

"It doesn't taste of fish," he said of his Roast Otter a la Arthur dish, "but it all depends on how you cook it – you can marinate it with various things."

The king of road-kill cuisine reckons his protein-rich dishes will give him the edge when he competes in the world orienteering championships in Estonia later this year. ■ Picture

INK BITS!

Tattooed tear-away teaches kids to go straight

EX-CRIM, alco and drug addict John Kenney could be Australia's most tattooed bloke.

The 60-year-old former Melbourne gangster has tough stickers all over his body and face, making him stand out really well in a crowd.

"I have them up my nose, my tongue, eyeballs... maybe I've gone a bit too far... my psychologist thinks it is self-loathing but I just love it," he told the Daily Mail.

Spookiest of all his tatts are the EYEBALLS he has tatted on his EYELIDS, which makes it look like he's keeping an eye on things even when he's taking a nap.

Johnno turned to crime after a SHIT childhood, and ended up going right off the rails on the booze and drugs, living on the streets and sleeping in charity clothing bins, before turning his life around.

Now he gives talks to schoolkids about how the drugs'll fuck you up, and is an advocate for the homeless.

He certainly gets people's attention whenever he gives one of his talks.

"Now that I tattooed my face, everyone is curious,' he says.

He's not wrong! ■ Picture

HEAVY METAL.

A world of welded masterpieces

ART isn't just nice pictures of flowers and marble statues of blokes with their NADS hanging out. It can also come in the form of AWESOME hunks of welded metal, like what you see here.

In fact, if Leonardo da Winky was around today, he'd probably use a welding torch instead of a brush and wear a big leather apron.

But he ain't, so fuck him. The modern-day geniuses who made this stuff ARE, and we'd rather have a geek at their geniousity than a painting of some smirking little sheila called Mona. ■ Picture

Q. WHAT'S THE DIFFERENCE BETWEEN YOUR MUM AND A MOSQUITO?
A. YOUR MUM DOESN'T STOP SUCKING WHEN I SMACK HER.

G.T., FASSIFERN, NSW

A WHALE is having a conversation with his dad.
Son: "Hey Dad, where did I come from?"
Dad: "From my dick, son."
Son: "Uhhh, thanks?"
Dad: "You're whale cum."

Q. IF CAITLYN JENNER WERE A SUPER HERO, WHAT TEAM WOULD SHE BE ON?
A. THE EX-MEN.

B.T., LORVEN, SA

A LADY was looking at jewellery, and as she bent over to look at a diamond ring, she accidentally let one rip. Hoping no one had noticed she motions the salesman over and asks him the price on the ring. He looked her square in the eye and said, "Lady, if you farted just looking at it, then you'll shit yourself when I tell you the price."

B.A., NARREWARREN, VIC

I SPENT $5,000 on a boob job for the wife. She was delighted. I spent another $2,000 on a nose job for her. She was ecstatic. I spent $2,000 on liposuction for her and she couldn't thank me enough. But I spend $50 on a blowjob for myself and she goes fucking mental! Women, I can't figure them out.

R.B., MATTHIESSON, QLD

A MAN who'd just died is delivered to his local mortuary in an expensive, expertly tailored black, designer suit.

The mortician asks the deceased's wife how she would like the body dressed; pointing out that the man does look very good in the black suit he is already wearing.

The widow, however, says that she always thought her husband looked his best in blue, and that she wants him in a blue suit. She gives the mortician a blank cheque and says, "I don't care what it costs, but please, please have my husband in a blue suit for the viewing."

The woman returns the next day and to her delight, she finds her husband dressed in a gorgeous blue suit with a subtle chalk stripe; the suit fits him perfectly.

She says to the mortician, "Whatever this cost, I'm very satisfied. You did an absolutely fantastic job and I'm very grateful. How much did you spend?"

To her astonishment, the mortician presents her with the blank cheque, "There'll be no charge."

"No, really, I must compensate you for the cost of that exquisite blue suit," she says.

"Honestly, ma'am," the mortician replies. "It cost nothing. You see, a deceased gentleman of about your husband's size was brought in shortly after you left yesterday, and he was wearing an attractive blue suit. I asked his wife if she minded him going to his grave wearing a black suit instead, and she said it made no difference as long as he looked nice.

"So I just switched the heads."

A. THE LOOK ON THEIR FACE WHEN YOU'RE NAILING THEM.

TWO women are in the doctor's surgery. One says to the other, "I can't see, I can't hear anything and I can barely walk. Thank God I can still drive."

T.K., DEE WHY, NSW

A PRIEST is baptizing a man. He dips him 3 times in water and says: "Craig, from now on you will be known as Michael. From this day forth you are to shed your sinful ways and that includes no more gambling or alcohol."

The man later goes home later in the day and heads straight for the fridge. He grabs a can of VB and dips it in the sink. As he does, he says: "From this day forward, you will be known as green tea!"

Q. WHAT DO YOU CALL A BLONDE WHO DYES HER HAIR BROWN?
A. ARTIFICIAL INTELLIGENCE.

R.C., TORONTO, NSW

A MAN saw a lady with huge tits and approached her.

"Excuse me," he asked. "Can I bite your breasts for $1000 ?"

She agreed and they went to a secluded corner. She opens up her blouse and the man puts his face between her breasts for 10 minutes.

Eventually the lady asks, "Aren't you gonna bite them?"

He replies, "No, it's too expensive!"

QUOTE OF THE WEEK

"ALCOHOL MAY BE MAN'S WORST ENEMY, BUT THE BIBLE SAYS LOVE YOUR ENEMY."

- FRANK SINATRA

THE PROFESSIONAL

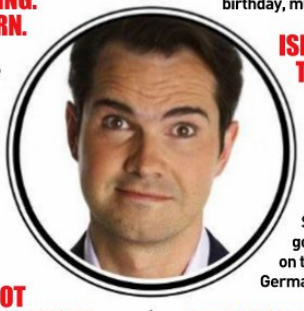
POMMY COMEDIAN: JIMMY CARR

I LIKE THOSE BLACK AND WHITE FILMS WHERE NO ONE SAYS ANYTHING. INTERRACIAL PORN.

I don't like spending too much time with my girlfriend's family. Her husband is getting suspicious.

I FIND YOUNG WOMEN MAKE A LOT OF NOISE IN THE BEDROOM. I GUESS THEY'RE NOT EXPECTING TO SEE ANYONE AT THEIR WINDOW.

I have no problems with buying tampons. I am a fairly modern man. But apparently they're not a 'proper' present. 'Happy birthday, mum!'



ISN'T IT IRONIC THAT PEOPLE WITH CLUB FEET TEND NOT TO BE VERY GOOD DANCERS.

Some people think it's good luck if a bird shits on them. They're called German pornstars.

WHEN SOMEONE CLOSE TO YOU DIES, MOVE SEATS.

THE JOKE'S ON YOU

THIS WEEK: FISHERMEN

Q. WHAT DO FISH AND WOMEN HAVE IN COMMON?
A. THEY BOTH STOP SHAKING THEIR TAIL AFTER YOU CATCH THEM.

Two guys, Frank and Bob, were out fishing. A funeral service passes over the bridge they're fishing by, and Bob takes off his hat and puts it over his heart. He does this until the funeral service passes by.

Frank, looking wide-eyed and amazed, said "Gee Bob, I didn't know you had it in you!"

Bob replies, "It's the least I could do, Frank. After all, I was married to her for 30 years."

Q. WHAT DO YOU CALL A DEAF FISHERMAN BOAT CAPTAIN?
A. ANYTHING YOU WANT, HE CAN'T HEAR YOU.

A pissed ice fisherman drilled a hole in the ice and peered in. A loud voice said, "There are no fish down there."

He walked away and drilled another hole and peered into it, and again the voice said, "There are no fish down there."

He looked up into the sky and asked, "Oh God, is that you?"

"No, you idiot," the voice said. "It's the rink manager."

Q. WHAT DOES EVERY FISHERMAN WANT?
A. A GIRLFRIEND.

FOR THE RECORD

HEY Mungo, these days there are stats on everything, like in boxing you can look up and how many punches he landed, or in cricket you can look up how many fours and sixes each tsman has hit. Are there stats in the porn biz how many cocks the girls have had in their e/pussy/ mouth? Or how many loads they've swallowed? I wonder how many Belladonna ok up the back door? Do ya reckon that she'd cord holder?

M.J., GROVEDALE, VIC

SAYS: I don't believe such a statistics sts, but by crikey it should! Cricket Wisden Cricketers Almanack to keep all the stats, so I reckon it's about n had something similar. As to your about Belladonna, I don't think she'd record, as she bailed out too soon. I u'd have to look to a veteran such as rtley to top the stats, as her career ot longer, so she must've chalked up pressive figures. She's the Don n of porn!

MUNGO, I was wondering if you got this stubby cooler designed on your younger self? Or did you dye your hair red for the design?

L.W., MACKAY, QLD

MUNGO SAYS: Younger self? What's that supposed to mean? You havin' a go? I AM my younger self, ya cheeky bitch. Anyway, the hat's all wrong, and the beard looks a bit hipster-ish for me. The sheila looks a good sort though, I guess, for a cartoon. You just watch your lip from now on, L.W., orright?

ROOTIN' TOOTIN' CUTIES!

WHILE reading issue #1404 I did a double take as I turned from the pictorial on Seppo porn star Dillion Harper over the page to wobbly World and saw little cutie Li Moon, from Ukraine. They could almost be sisters! I'm all for cute, so can we have some more of either or both of those two, please – together if possible.

M.K., FRANKSTON, VIC

MUNGO SAYS: I dunno whether we're up for flying Li over to the US, or Dillion to Ukraine, so a shoot together is out. Personally I'd be satisfied with just seeing more of them on their ownsomes.

Seppo speedster takes flight!

FLYING FOX!

Stan always wanted to be a pilot

MIND ME LEGS!

Seppo racing driver Stan Fox was no mug by the time he lined up for his eighth start in the Indianapolis 500 in 1995. He had been a successful midget open-wheeler driver before that and had dabbled in motorcycle racing as well so he knew his way around a track. But when he set off in his last Indy, he was fated to become known less for his driving ability and more as the man who could make his car fly. That's him, up in the air, with his legs dangling out the front of the car where the nose-cone used to be. So he's going backwards by now as well. It didn't turn out well for Stan, as he suffered some serious head injuries in the crash and never returned to racing as a competitor, although he did continue to be involved in racing up until his death in 2000 in a head-on crash on a highway 200 kays south of Auckland, New Zealand.

SHOW-OFF!

AAP

the Picture SHED HEADS

Oz's best MAN CAVES

WHO: Mark, 51, fitter and turner

WHERE: Langwarrin, VIC

Who's this bloke 'Jim'?

IS THIS ONE OF THESE PARTY-ONLY SHEDS, OR DO YOU REALLY GET SHIT DONE IN THERE?

Actually, I do a lot of work in my shed, there's a gym in there as well, and my boat, and a workbench and machinery. The man-cave part is off the main shed.

WE GET IT – BUSINESS IN THE FRONT, PARTY ROUND THE BACK! HOW LONG DID IT TAKE TO BUILD?

It took about two years. It's been finished for 10 years now. I built it from scratch, it's a steel frame, and the man-cave part is lined with fence palings and corrugated iron. The bar stools are from old tractors and plough shares. I still add things whenever the budget allows, but I'm running out of room. Me and the missus have talked about extending it, but I'd be losing yard space for the kids.

WHAT ARE YOUR FAVOURITE BITS?

The tree trunk with its roots holding up the bar. And the old upright Space Invaders machine. I've got about 1200 of my old vinyl LPs in there, with lots of Acca Dacca and the Angels, and a turntable behind the bar.

WHAT DO YOU STILL WANT TO ADD?

I'm still looking for a couple of pinball machines. I've got space put aside for them.

WHAT SORT OF ACTION DOES IT SEE?

The first Friday of every month I always get a bunch of mates around for a drink. I had my fortieth birthday in there, and even though I'm 51 now, I never got around to having a fiftieth, so I'd better start planning that!

FEELIN' FISHY

I HEARD somewhere that oysters are a natural aphrodisiac, kinda like Viagra or something, so I chuffed a shitload of them before rooting the missus the other night and the only thing I got was a stomach ache and a scolding for having fishy breath. Are there any other foods you know of that increase your sexual prowess?

R.C., BALLARAT, VIC

TRINITY SAYS: Gross, mate. I'd be pretty annoyed if you came to bed stinking of fish as well! I've heard of chocolate being a good food to spark things up, and even if it doesn't make you hornier at least it tastes good and doesn't stink!

THREE'S A CROWD

HEY babe, just wanted to let you know I reckon you're a smokin' hot lady! My hubby and I both agree that if we were going to have a threesome it'd be with you! I just wanna know what your fave kind of threesome would be and why? Like, two guys and one chick or vice versa? Thanks!

CHARLOTTE, REDFERN, NSW

TRINITY SAYS: Thanks hun, you guys must have good taste! My favourite type of threesome would have to be with another girl and one guy 'cos then I can have the best of both worlds. So you and your man would be perfect!

STRIP AND SHOW

HI TRIN, would you consider coming to our mines. We got a real awesome setup in one of the bloke's rooms; with a little stage and a stripper pole. now all we need is a real-life stripper! Whaddya reckon?

PETEY, KALGOORLIE, WA

TRINITY SAYS: Depends how big of a crowd you can fit in there, mate. Let me know when you're thinking of having a show and if I'm around West Australia at the time, I'll see if I can pop in and perform.

WHAT A BUMMER

HEY Trin, my man's a real arse bloke but I've got the flattest bum ever and I'm really worried about it. Do you know any workouts I can do to get the best butt? Is having sex a good workout? What sex positions are the best?

LIV, REDCLIFFE, QLD

TRINITY SAYS: It's all about confidence, babe. It's the same as dicks – it's not the size that matters, it's how you use it. A good sex position to work out your butt would be reverse cowgirl 'cos you can just bounce up and down. Plus, it's more fun than squats!

CAP'N LONG DONG

SO I'VE got a pretty massive dick and I was wondering if that sometimes scares chicks off? Couple of the boys said that no chick likes being filled in by a cock the size of a small nuclear warhead. Is that true, Trin? Can a dick be TOO big?

BIG BOB, DARWIN, NT

TRINITY SAYS: Don't worry about it too much, mate. If your dick is as big as you say it is, you'll just have to learn to not stick the whole thing in or just go a bit easier. You'll figure it out.

MUM'S THE WORD

TRIN, big fan here. I've got a bit of a conundrum. My mate's Mum has been flirting with me heaps the past few times I've been around to his place. She's a hot piece of arse and since her husband walked out on her a few years ago she hasn't been with many guys. Should I root her on the sly or discuss it with my mate first? I really wanna do it and it's gunna be super awkward either way.

P.O., DANDENONG, VIC

TRINITY SAYS: NO! That's like an unwritten rule that you don't root your mate's mum! Just go and find another chick that isn't related to any of your friends. And next time she flirts with you, maybe just make a joke of it to your mate so he doesn't think you're the one instigating it.

PUCKER UP!

I WAS told recently that I'm a really bad kisser. It's not something I've ever thought about before and it came as a bit of a shock. How can I kiss better, Trin? Help me!

L.R., GEELONG, VIC

TRINITY SAYS: Practice makes perfect. The only way to get better is too kiss more chicks. So go out, find a cute girl and start kissing, mate!

TURN ME ON

I'VE been tryna get the missus to watch porn with me but she's just not keen at all. How should I convince her that'd be good fun? She doesn't seem to like the bukkake or gangbang porn that I usually watch and I'm all out of ideas. What's your fave porn, Trin?

LIAM, BUNDABERG, QLD

TRINITY SAYS: What the fuck, mate? Of course she's not going to like porn where girls are having cum sprayed all over them by twenty blokes. They now make special 'couples porn' for people to watch with their significant other. Maybe both of you can go together to your local adult shop and pick a film as a couple. Good luck. I personally like all sorts of porn. The dirtier, the better. But that's me.

TRINITY'S SEX TIP

IF YOU get with a chick, try not to brag to all your mates about how far you got and what you did etc. Especially if you both have the same circle of friends. You can tell your mates, of course, but don't give too many details away. It'll make you look bad and give you less chance of round two or maybe even rooting her friends.

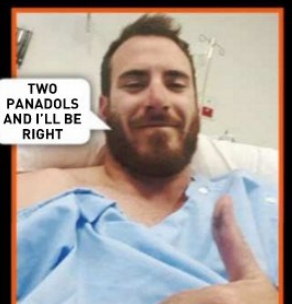
Don't worry Mark, chicks dig scars



MATE, what happened?

"I was cutting timber with an older circular saw. While I was cutting I didn't realise the guard jammed back, exposing the blade. I pulled the saw back and it got caught in my shorts. As soon as it did that it ripped up my leg 17cm and 5cm deep."

Did you think you were gunna croak?

"As soon as I looked down and saw my wound I thought: 'Oh fuck, that's inconvenient.' But there wasn't a lot of blood so I knew I hadn't hit anything major."

Inconvenient? Well, that's one word for it. Did they dock your pay for being such a clumsy galoot?

"No, no docking of the pay, thank god. I got two weeks compo."

How did ya heal up? Back on the job yet?

"I had the stitches pulled out after two weeks and was back at work the day after that. It's fine. I have full movement, a bit of nerve damage but that's it."

Did it interfere with your drinking?

"Ha ha! Yeah, they said not to drink for two weeks because of the painkillers I was on but it didn't stop me second week in."

How close did you come to chopping your dick off?

"About a hand width away... it still haunts me knowing how close I got to my old fella. I had a chat to the nurses about it in emergency and they said they can re-attach them anyway."

Then we'd have to change the name of this page GET IT UP, YA SOOK! Picture

"MAKE IT AS SLOPPY AS POSSIBLE"

SINCE the dawn of time, or at least as long as we can remember, blokes have been obsessed with blonde chicks. Why is that?

We're not SCIENTISTS so we dunno, but we're gunna stick with the program and present the fantastically stacked, blonde PRO-ROOTER Cali Sparks.

"My hair is most definitely a drawcard for men," the 20-year-old Seppo reveals. "But I'd like to think I offer more than just my golden locks!"

Well, you also have GREAT TITS. How'd you get into the JIZZ BIZ, anyway?

"I've always been very sexual, so it kind of just made sense. I'm a perfect fit for porn."

You sure are. What's your fave thing about the industry?

"I'M A PERFECT FIT FOR PORN"

"I get to fuck all day and get paid for it! Sex is the best feeling in the world, so imagine getting paid to experience that feeling all the time."

Any sexual escapades you've enjoyed recently?

"I did anal for the first time this year (*ed - in Tight Ass Teens*). It was good, a completely different kind of orgasm. Plus knowing that the guy I'm fucking is enjoying it turns me on even more."

Atta girl! Do you do much ROOTING away from work?

"Yeah, I love sex so I do it as much as possible. I have a few fuck buddies that I hit up if I'm feeling horny."

Are they porn blokes with MONSTER DONGS?

"No, they're just regular guys. I try not to bang industry people away from set."

How are your NOB-GOBBLING skills?

"I'm the best! It's my job so I'd like to think I'm pretty good at it."

What are some POLE-SMOKING tips you would give a novice looking to perfect the craft?

"It's all about saliva. Make it as sloppy as possible and don't bite! And give the balls a little tickle while you're sucking. Guys love it."

You should give classes!

PERFECTLY NATURAL!

Amelia's tits will leave your jaw on the floor

WHEN we hear the phrase 'natural wonders' it's not the Grand Canyon, the Great Barrier Reef or even Warnie's 1993 Gatting Ball that we think of, but Amelia's MOUNTAINOUS MAMS.

Last time we spoke to the GIANT-JUGGED 23-year-old (issue #1383) she was single and looking for a bloke to call her own. "I got a new boyfriend about six months ago now," the beaut Brisbanian admitted. "And everything is going fantastically."

Onya! How'd you meet?

"I was out one night and meeting with a couple of friends from uni and he was one of their mates. We got talking, he asked me out on a date and it just went from there!"

A modern day fairy-tale. How many dates until you let a bloke near your FUN ZONE?

"First date is always nothing more than a kiss. Then it depends how we go on the second, maybe a bit of a make-out sesh. But I definitely wouldn't have sex until at least the third date, usually even longer."

"MY NIPPLES ARE SENSITIVE"

Made in Oz Girl

Like playing a bit of hard ball do ya?

"I think that's pretty reasonable! I wouldn't want to just give it up to every guy who asks me on a date."

Does your new bloke love playing with your CHEST PUPPETS?

"Yep, he's always touching them. But I like that, my nipples are quite sensitive so I really enjoy having them tweaked or, even better, sucked on."

How does he feel about you stripping off for THE PICTURE?

"He says he's fine with it. We're both quite open and can talk so if there was a problem I'm sure he'd tell me. I actually think it might even be a turn-on for him knowing that other guys have seen me naked."

Well, it's a turn-on for the OTHER BLOKES at least. Second time in the mag – reckon you'll be back for a third?

"Of course, that's if you guys will have me back..."

My Best Fuck

PAR-TAY!

I WAS 18 and living at home when I had my greatest ever fuck. My parents were away, and they'd said I could have a few mates over for a small party, so I got some beers in – legally at last – and rang a few girls, but I didn't know if any would show up.

My mates and me we were just chilling out with beers and tunes when this spunk I knew showed up, not only with a couple of friends, but with her older sister! The sister was a knock-out, and a bit of a local legend as being a real goer, but I didn't think I had a chance. I was just super stoked to see her in my house.

Anyway, after she'd had a few wines she started flirting with me big time. Next thing I know, she's leaned in and whispered: "Is there somewhere we can go?" In front of all my envious mates I showed her upstairs to my bedroom. It was your typical teenager's bedroom, posters and model planes, but she didn't seem to notice.

She threw me onto the bed, dragged my jeans off and went to work. I didn't really know what I was doing as I'd only had about two roots before this, so I let her take control. Whipping off her clothes, she mashed her moot down on my throbber and was riding me really hard, but easing off every time I was about to blow, which was all new to me as every other time I'd lasted about two minutes. Plus she kept saying stuff like "Aren't you a big boy?" and "You're making me so wet!" which did wonders for my self-esteem.

Just as she went for it and started to pump me dry, I look over her shoulder and saw my mates peering around the door copping an eyeful. I've never been so proud as when I emptied my ballsack into this hot babe, knowing I had witnesses who could verify it.

K.M., BEVERLY HILLS, NSW

LIFE'S A BEACH

ME AND my babe had a bit of a win on Lotto and instead of chucking it in the bank we decided to piss it up against the wall with a holiday at one of those luxury resorts up on the Barrier Reef.

It was the duck's guts – we had our own villa with booze laid on, massages, gourmet tucker, the lot. We were having the time of our lives.

And there was a deal we had to jump at – being ferried out to our own deserted beach for the ultimate luxury picnic lunch, complete with butler.

It was as good as they said – when we jumped off the boat, there was a marquee already set up on the beach with a table inside, and our personal servant ready to serve up all the delicious goodies.

After we'd we smashed down a couple of bottles of champagne, a lobster or two and a dozen oysters each we were getting a bit toey and I decided I wanted to jump her bones right then and there.

I told the butler and he just grinned and said: "Of course, sir. Mad not to," then made himself scarce.

Oh, the fuck we had! I gave it to her from behind, she rode me cowgirl, we even gave it a crack standing up in the water with her legs wrapped around my waist.

Old mate Jeeves kept himself busy down the other end of the beach, and whenever we got a bit thirsty I just gave him a yell, and up he trotted to crack us another bottle of bubby and pour us a glass each as we lay around in the shallows in the nuddy.

He never even blinked an eye.

We had another lazy root as the sun went down, and when the boat came back to pick us up, old mate Jeeves asked if we'd had a good time.

Fucken oath we had, I told him.

MY BEST fuck happened just after my divorce after seven years of shitty sex and no fun whatsoever.

My ex's idea of a big night out was a session on the pokies at the RSL, then snoring on the couch. I was lucky if I could get him to fuck me on by birthday.

So as soon as the ink was dry on my divorce papers I booked myself a holiday in the Caribbean. I figured one of those handsome West Indian types could be just the one to blow the cobwebs right off my neglected smoo.

It was in Antigua that I found my fella. I was in the hotel bar in my bikini and a sarong, sipping a margarita when I spotted him – a handsome black guy, classily dressed with twinkling eyes and a big smile. I smiled back, pushed my 36Ds out and went over to him and ordered us both a drink.

I propositioned him on the spot, and since he was single and on his own he didn't say no.

I got him back to my room and as soon as the door had shut behind us I shoved him down on the bed and dove into his pants, where I found a nice fat cock, already starting to get hard even as I wrapped my lips around it and swallowed it balls deep.

I was only down there a few minutes before he pushed my head away, and for a moment I thought he didn't like it. But then he smiled and said, "Let me return the favour," before peeling off my bikini bottoms, spreading my legs and eating me out like an expert.

And that was just the start – when he surfaced he slid that nice hard cock into me and fucked me in every position I could think of, and a few others, before blowing his load over my tits.

It was deadest the best fuck of my life, and because we'd had such a good time we hung out together and did it every single night for the next week.

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

"I love being naked and I love to squirt"

CRYSTAL
IPSWICH, QLD

"I'm a freelance model, I'm cheeky, and I love animals," says 24-year-old Crystal. ***You can do better than that.*** "I love being naked and I love to squirt and get it all over myself." ***Better. Have you always been a SQUIRTER or does such a skill require much practice?*** "I've alwaysw been able to squirt, but it takes relaxing and a good technique. I first did it years ago when I masturbated. I had seen it in a movie once and always wanted to since then." ***Does it surprise people when they first see it?*** "Yes, they usually don't believe me when I say I can until I do it." ***Where do you like to aim?*** "Anywhere. But I love to raise my hips so it goes on me and my face." ***Can you describe the taste?*** "Doesn't taste like much, sorta like sweet water."

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "My boobs, because they are natural and I love to play with them."

Home Girls

"I love being in the spotlight"

ARIANA
GOLD COAST, QLD

"I'm really cheeky," says 22-year-old pert-arsed, dark-haired glamour model Ariana. ***Speaking of cheeky, does that superb GLUT you're teasing us with earn lots of praise?*** "Yes, it does. I love the compliments it brings." ***We'll keep 'em coming. What do you like about posing nude on camera?*** "I love the attention of being in the spotlight." ***Were you nervous the first time you got naked on set?*** "I was shy for the first 10 minutes of the shoot, then my cheeky personality kicked in." ***What a personality!***

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "My bum makes everything I wear look good, especially my favourite G-strings that I like to wear to the beach whilst I tan topless."

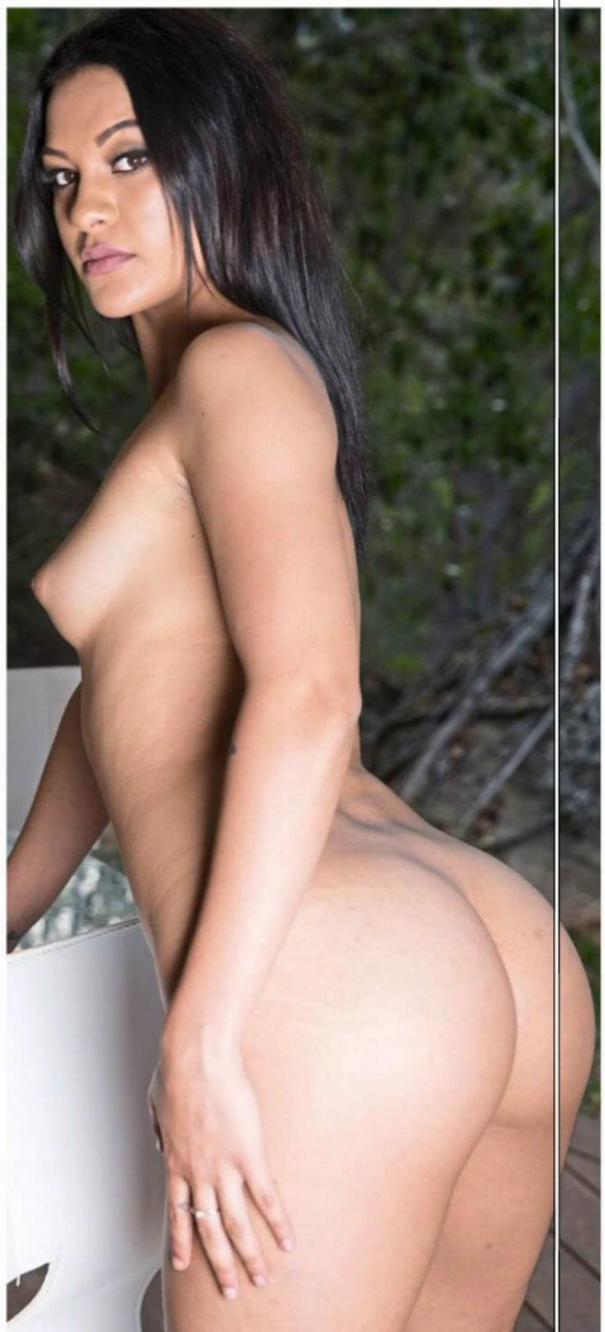
"I was in a big shower with two other girls"

JASMINE
TOOWOOMBA, QLD

"I'm a bit of a dude," says 20-year-old Jasmine. "I like guns, four-wheel-drives, martial arts; you'd be hard pressed to see me with makeup on outside of work. I love getting out and exploring and I'm not afraid to get a little dirty." ***Hopefully you wash off after getting dirty.*** "Once I was in a big shower with two other girls and we were washing each other and play fighting. It just had the craziest energy." ***Just into POONTANG then?*** "No. I remember driving 12 hours to see my boyfriend at the time, it was the middle of winter and I wore a massive coat with nothing but lingerie underneath."

WHAT IS YOUR FAVOURITE PART OF YOUR BODY?

"Definitely my boobs. They aren't massive, nor are they too small. A perfect handful. I wouldn't change them for the world. My boobs are the only things about my body I'm extremely confident about."



JADE JENNER
IPSWICH, QLD

Jade, 19, may be "extremely shy", but she has some fond memories. "My first sexual experience was with a girl. We were at my friend's house and we were playing around with each other. She asked me to follow her, so I did, and it just happened." ***Any other LEZBO LOVE since then?*** "My other girl encounters were with my ex, we'd get girls to have a threesome. He'd talk to them first, because I'm shy, but usually it doesn't take much convincing." ***Ever get another guy in for the fun?*** "I've only ever done one girl one guy, that way I get the best of both worlds. I like when the girl is in top of me and the guy is on both of us.

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "My legs, as they're a little chunky."

$200 BEAUT BUM

"I like when the girl is on top of me"

AMII
BELMONT, WA

We have such great weather here in Oz it's surprising anyone ever roots inside. "My partner and I were in the mood but had nowhere to go, so we went to a park and started getting into it. Then a bunch of teens come to the park all drunk so we had to be super quiet putting our clothes back on. Then, all of a sudden, bam, they spotted us." ***And started FAPPING?*** "They chased us but in the end we got away." ***Tell us some fave places you've done it.*** "Well, my top three would be: a pool, as makes it feel so nice; on a chair, so I have better control over my other half; and the shower. All that steam and water makes it really hard for my partner to grab the love handles, it's teasing him and he hates it, but I love it."

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "My favourite part of my body is my legs; I love the way they look in heels - super sexy."

DIMANCHE
MULLUMBIMBY, NSW

"I love posing as it's a way to show my femininity and my beauty," says French 59-year-old Dimanche. ***Where else do you like to be naked?*** "In the bush and on the beach." ***Fine choices .*** "But also in city alleys late at night, with just a coat on my naked body." ***Anywhere else?*** "And I'd rather be driving on a freeway with no undies so truckies can be turned on." ***Ever driven totally naked?*** "It's on my bucket list. I've had sex in a car park on a freeway. While other cars were passing through." ***How do you feel on these naked adventures?*** "I feel free and turned on." ***Have you been filmed on these NUDE EXPEDITIONS?*** "No, I have never been filmed." ***Something else to add to that sexy bucket list.***

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "My favourite part is my vulva. It's like a deep red rose when it's aroused."

"I was nervous at first, but really enjoyed it"

KAY
RICHMOND, VIC

"I had sex in a 'shadow room' where about 40 people could see our silhouettes, and hear everything," says 30-year-old vet nurse and Hello Kitty fan Kay. "This was at a private house party a few years ago. They set it up so that a normally open-plan room was divided from the main area by a white sheet. They kept the main area a bit dark and backlit the bed." ***How did it feel being watched?*** "It was my first experience in a voyeuristic setting, and I was nervous at first, but really enjoyed it." ***What else went on at the party?*** "It was a moderately kinky party, so there were some beatings, rope work, sensation play, et cetera. And sex, lots of oral. And dancing." ***As long as someone was doing the Macarena.***

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "The neck. It holds a person's smell, which is really important to me. And it's so yummy to bite."

BARBARA
RIVERINA, NSW

$30 ASK THE HOMIES

"Are all Peruvian women as hot as you? If so, I am booking a flight and learning how to ride an alpaca."
JOHAN, GLEBE NSW

BARBARA SAYS: ***"Yes, all Peruvian women look just like me. There are plenty of nice women there. Thank you for your letter."***

VIANA
TOOWOOMBA, QLD

$30 ASK THE HOMIES

"I can imagine you playing video games naked. I really hope you do. What games to you like?"
MANFRED, HOBART TAS

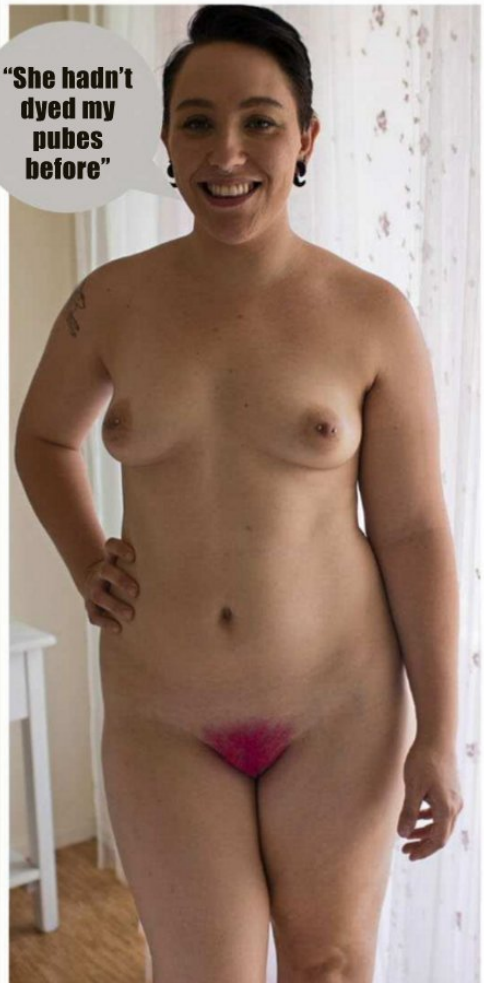
VIANA SAYS: ***"I sure do. My favourite games are all Massively multiplayer online role-playing games, so World of Warcraft, Aion and Tibia."***

ASK ANY HOME GIRL ANYTHING YOU LIKE. *Chuck us an email at askthehomegirls@bauer-media.com.au or write to Ask The Home Girls c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000.*

LUNA
MOUNT GRAVATT, QLD

It's rare we see pubes at all in Home Girls, let alone ones that could double as a DISTRESS FLARE. "I love multi-coloured hair, but my job wouldn't have it, so I figured I'd colour the hair they can't see," reckons 22-year-old Luna. ***You obviously don't work as a stripper if the boss can't see that.*** "Not at the moment, but it's something I've always wanted to do. You never know, you might see me in a club soon." ***Didja do the dye job yourself or cause a fuss in the salon by getting your MAP OF TASSIE out?*** "My girlfriend's a hairdresser, so we did it at home. She hadn't dyed my pubes before, but she's fairly well acquainted with that area." ***Lucky her.***

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "I love my boobs, but the winner has to be my arse. I have a nice big round booty, and it looks awesome in tight skirts or jeans. So smackable!"



SARAH
TOWNSVILLE, QLD

Last year we had a homie from Townsville who loved vibrator parties at home with her flatmate. Readers, meet 21-year-old Sarah. The flatmate. "I'm the crazy room-mate of Elly; the one who held the vibrator party last year. I believe I was the overly excited one at that party." ***How did the party kick off?*** "Well it didn't really kick off. It more got off, if you know what I mean." ***Had you ever PADDLED THE PINK CANOE with a group of people before?*** "It's a first for me, but if we hold another one I'm sure it will get more freaky." ***Ever filmed yourself getting off?*** "The thought has been there. But the camera has only gone as far as taking pics." ***Fix that right up!***

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "My itty bitty titties, because anything more than a handful is a waste."

BELLA

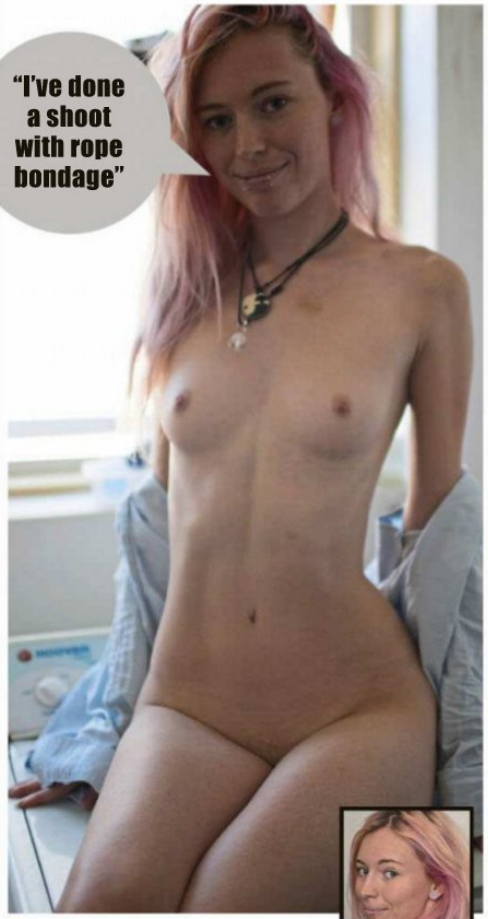
DARWIN, NT

Don't even think about grabbing Bella on the arse if you see her at a nightclub. "A bloke tried that once and I broke his jaw," the 19-year-old snarled. "I'm very happy with my partner and I'm not interested in anyone else. But guys won't leave me alone because they like my boobs so much." ***Does he tend to your LADY GARDEN on a regular basis?*** "Yeah, we're at it all day, every day. I like being tied to the bed." ***More sexy stories, please!*** "We were down in Melbourne not long ago, and after a big night on the drink we had sex in the back of a taxi. The driver took the longest route home and watched us the whole time. I think he even had a wank." ***Well, it'd be PRETTY FUCKED UP if he didn't.***

VICKI

BRISBANE, QLD

"I leave my back door unlocked in the hope that a stranger will wander in and have sex with me in the middle of the night," admitted 31-year-old Vikki. "But he'd have to be handsome and have strong arms – I like men who can throw me around the place while we're fucking." ***What about if a RAVING LEZZA walked in your door?*** "That'd be great! I can't decide whether I like girls or boys better, and I've just gotten out of a lesbian relationship that lasted nine months." ***And if Liz Ellis came in?*** "Um, no thanks!" ***Do you get a lot of compliments on your BODACIOUS BEHIND?*** "Yeah, guys are always coming up to me and saying things like 'Nice arse!'" ***Smart blokes!***



SKYE MOON
ERMINGTON, NSW

"I'm currently doing freelance modelling until I can hopefully have it as a full-time career," says 21-year-old Skye Moon. ***Was this your first nude modelling shoot?*** "No, it wasn't. I mostly do nude or implied art nude. I've done a shoot with rope bondage and something I'd like to do is try some erotic images." ***What kind of images are we talking?*** "I don't know how to explain the images I'd like to do for myself." ***We can think up a few scenarios. What erotica do you find most arousing?*** "I like Hentai; watching live humans just doesn't do it for me in a sexual way."

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "I love my hips. It took me years to get comfortable and love my body. But my hips were the first part I appreciated, because they have some tremendous curves. But mostly I love the way I can make them move and contort them."

CRYSTAL
VICTOR HARBOR, SA

Make-up artist Crystal won't go hungry. "I once rested nude on the bed with nothing but whipped cream over the sweet bits. And a cherry. Because nothing says pretty please like a cherry on top. Right?" ***What other foodstuffs belong in the bedroom?*** "So many. Particularly sweets, though. I've had a few guys try to convince me that carrots and cucumbers belong in the bedroom, but I think I'll take the real thing not the veggie alternative there." ***What if the cucumber was BIGGER?*** "Still no competition. Cucumbers just don't have that shapeliness and warmth that really takes you the extra mile."

WHAT IS YOUR FAVOURITE PART OF YOUR BODY? "I would say my boobs, but I have had almost as much interest taken for my legs, so they might have a bit of competition."

ANGE
FRANKSTON, VIC

THIS is yummy Mummy Ange's first time getting nude in front of the camera, but the 26-year-old is already looking like a seasoned pro. "I was so nervous to start with but I guess people will just be looking at my boobs anyway." ***What inspired you to get your kit off for us?*** "I had a friend who was in the mag a few years ago and she said it was a bit of fun and good bit of extra cash, so I thought, why not!"

What are you gunna spend your bonus coin on? "I wish I had something exciting, but I'm just going to use it in everyday life for groceries and stuff." ***Reckon you'll come back and strip off for us again?*** "Oh, for sure, I'm already excited for next time!" ***You're not the only one…***

WHAT IS YOUR FAVOURITE PART OF YOUR BODY?
"Definitely my boobs. I've grown to love them."

GO FACT YOURSELF!

TWINS

01. The 1988 movie *Twins* starred Arnie Schwarzenegger and Danny DeVito as twin brothers separated at birth, even though the actors look nothing like each other. Movies are stupid, eh.

02. There are two types of twins – fraternal and identical. Fraternal happens when two eggs are fertilised in the mum's tum, while identical occurs when a fertilised egg separates and forms two embryos.

03. You can't have identical twins where one is male and one is female, because one has a dick, and the other has a smoo and tits. DUH!

04. As far as we know, nobody has ever scored with both Olsen twins, Mary-Kate and Ashley. But we still hold out hope. One of these days...

05. Probably the most vicious twins in history were London gangsters Ronnie and Reggie Kray, who bashed, slashed, robbed and tortured their way around London in the 1960s.

06. Hugh Hefner "dated" blonde twins Kristina and Karissa Shannon from 2009 to 2010. They weren't identical, although the wrinkly old prick probably couldn't tell them apart anyway.

07. Many chestically well-endowed women refer to their tits as "the twins". And we think that is just so fucken cute!

08. The Minnesota Twins are an American baseball team playing in the Central Division. Sadly, they aren't named that because the team is made up of sets of twins, but because Minnesota-St Paul are known as the "Twin Cities".

09. Conjoined twins Chang and Eng Bunker were the original "Siamese twins". They were named that when they moved to America 'cos they were born in Thailand, then known as Siam. Hilariously, back in Siam, they had been known as the "Chinese twins", because both their parents were half Chinese!

SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom
